Reason(s) for Excision:

Four excisions are required. These are to remove depictions of sexual conduct of a highly degrading, dehumanising and demeaning nature and depictions where women are highly degraded, dehumanised and demeaned. Two of the scenes involve a woman being treated in an aggressive manner prior to, and during, sexual activity. The two remaining scenes involve a woman being presented as deserving of disrespectful and contemptuous behaviour from her male partner. In one scene a man washes a woman's anus and buttocks in a manner which implies she is dirty. In the other scene, a woman licks semen off the floor after being instructed to do so.
